

The sustainable digital meeting solution for decision makers

Convene is a multi-awarded board meeting software that streamlines your whole meeting process into one collaborative, easy-to-use, and secure platform.

Designed specifically for senior level executives, Convene pushes for smarter meetings—less effort, better results. It enables you to run electronic meetings which enhances transparency and accountability in your organization. Being paperless, it saves money on printing costs and meets sustainability targets too.

Meetings have never been this easy! Just the way we say it, don't just meet—Convene.

Benefits

Create a more productive culture

Reduce time and effort spent in preparing for meetings and free up your resources.

Eliminate waste in the workplace

As a paperless meeting solution, Convene can aid in turning your workplace into a paper-free office.

Cut down unnecessary expenses

Save money and paper, allocating resources to value-adding projects instead.

Achieve sustainability targets

Going paperless improves your corporate social responsibility efforts and reduces your company's carbon footprint.

Streamline decision-making

Using our unified meeting management tool, executives can easily make key decisions anytime, anywhere.

Make all your meetings smart, simple and secure

1 Prepare Meeting
Drag & drop files to create agenda. Publish-to-all with 1 click.

2 Review papers
Private or shared annotations. Online or Offline.

3 Meeting
Present, collaborate, and share on any device.

4 Action
Review meeting pack, action points, and minutes instantly.

Product Features

Boardroom Performance

Set the right tone for your organization's direction. With Convene, board directors can have engaging and interactive discussions through powerful presentation tools.

Security Framework

Our satisfied clients in the public, private and non-profit sectors for over 25 years is a testament to our unparalleled track record in the IT industry.

Seamless Collaboration

Board members can easily vote on resolutions, review documents, sign documents by e-signature, complete surveys, and answer questionnaires.

Transparency and Accountability

Monitor deliverables and activities through action items and audit trail. These features ensure that objectives are easily aligned, tracked and enforced across your company.

Optimal Control

Convene's permissions-based settings ensures that board materials and documents will be safeguarded at all times. Only authorized individuals can access certain levels of data.

Smart. Simple. Secure

How have our clients' meetings improved with Convene?

“With its highly efficient board portal for iPad, Android, Windows and Mac, Convene was a clear winner, offering great value for comprehensive features, such as ADFS, intuitive design and stringent security.”

Thayne Shaffer
Senior Vice President and Controller,
America First Credit Union

Convene is the perfect end-to-end business solution to enhance the effectiveness and efficiency of meetings. It collapses the multiple painstaking steps of a traditional meeting process cycle into a convenient one-stop platform for all stakeholders.”

Wee Meng Chua
