¹ (i) For customers in Europe which have adopted our cloud-based (hosted, software-as-a-service) Convene Services, the Content uploaded by users to Convene Services shall reside in AWS servers within the UK or EEA. No Content will be transferred outside the selected region without the prior consent of the Customer. (ii) For customers in Europe who consented to the transfer of Content outside the UK or EEA, the AWS GDPR Data Processing Addendum ensures that any personal data on AWS will be given the same high level of protection it receives in the EEA or the UK.

² AWS Chime service is available in different locations including US, UK (London), EU (Ireland), Singapore and Sydney. Where possible, we will choose the AWS Chime region to be the same as the AWS server region for Convene Services for the customer so that all Content including any voice and video conferencing data can stay within the same AWS region.

³ Instead of being GDPR compliant, Bluvalt is governed by and is compliant with Saudi Laws and regulations. It is ISO 27001, ISO 27017, and CSA Star Certified. It is also compliant with CITC CCRF.
